

Genesis

1.In the beginning God created heaven and the earth. The earth was unformed and chaotic, and darkness lay upon the face of the deep, and the Spirit of God was moving over the surface of the waters."

3God said: Let there be light, and there was light. 4God saw that the light was good and God divided the light from the darkness. 5 The light God called Day and the darkness He called Night.

There was evening and there was morning, one day.

6God said: Let there be a firmament between the waters to divide waters from waters; Tso God made the firmament and separated the waters under the firmament from the waters above the firma-ment; and it was so,

§God called the firmament Heaven. There was evening and there was morning, a second day.

°God said: Let the waters under heaven be gathered into one place and let the dry land appear; and it was so. 10God called the dry land Earth and the gathering of the waters He called Seas, and God saw that it was good.

11God said: Let the earth produce vegetation, various kinds of seed-bearing herbs and fruit-bearing trees with their respective seeds in the fruit upon the earth; and it was so. 12The earth produced vegetation, various kinds of seed-bearing herbs and fruit-bearing trees with their respective seeds in the fruit, and God saw that it was good. 13There was evening and there was morning, a third day.

14God said: Let there be lights in the firmament of heaven to divide the day from the night; let them be for markers of seasons, days and years, 1band for luminaries in the firmament of heaven to shed light upon the earth; and it was so.

16God made the two great luminaries, the greater light for ruling the day and the lesser light with the stars for ruling the night. 17God set them in heaven's firmament to shed light upon the earth, 18to rule during the day and at night and to divide the light from the dark-ness; and God saw that it was good. 19There was evening and there was morning, a fourth day.

20God said: Let the waters teem with shoals of living creatures and let birds fly above the earth along heaven's firma-ment. 21God also created the large sea-monsters, and all living, moving creatures with which the waters swarm according to their kind and every kind of winged bird. God saw that it was good 22and God blessed them; He said: Be fruitful; multiply and fill the waters in the seas and let birds multiply on earth. 23There was evening and there was morning, a fifth day.

24God said: Let the earth bring forth living creatures after their kind, live-stock, reptiles and wild beasts after their kind; and it was so. 25God made every kind of wild beasts and every kind of livestock and every kind of creeping things; and God saw that it was good.

26Then God said: Let Us make man in Our image, after Our likeness, and let them bear rule over the fish in the sea, over the birds of the air, over the animals; over the whole earth and over all creeping things that crawl on the earth.

27So

God created man in His image; in the image of God He created him; male and female He created them.

28God blessed them; God said to them:

Be fruitful; multiply; fill the earth and subdue it; bear rule over the fish of the sea; over the birds of the air and over every living, moving creature on earth.f 29God further said: Behold, I have given you every seed-bearing plant over all the earth, and every fruit-tree, the fruit of which grows seed; it will be your food. 30And to all the animals on earth, to all the birds of the air and to every living creature that creeps on the earth I have given the green vegetation for food; and it was so.

31God saw that everything He had made was excellent, indeed. There was evening and there was morning, the sixth day.
